OBJECTIVE

Implement "Relent College Management System" in M/s Navajyothi College of Arts & Science, Cherupuzha. Installation of software, including implementation and setup, training, professional assistance. Success of this project is dependent not only on the software, but also on your personnel's skill, effort, and willingness to work as a team.

SCOPE OF THE PROJECT

College Management System, ERP solution is a web based application that lets you easily manage the databases related to your institute. It also gives you a very easy to use interface to manage different information related to your institute such as Fees, Result, Exam, Library, Transportation, Store, News & Events, Mail management, online interface and much more than you expect.

TRAINING & TESTING

- a. We will work with you and your staff during installation and implementation to help you gain a detailed understanding of the system.
- b. One time training regarding the maintenance & usage of the software will be provided to the personnel identified by the client.
- c. Upon completion, system test of the software will be done to assure that it is functioning as intended and producing accurate reports based on your input.

PROJECT COORDINATION AND REVIEW

We recommend that project is steered by a Project review committee as suggested below. The members may be modified on mutual consultations.

- a. Principal – M/s NAVAJYOTHI COLLEGE OF ARTS & SCIENCE.
- b. Managing Director –M/s RELENT SOFTWARE TECHNOLOGIES
- c. Project Coordinator – AN EXECUTIVE OF RELENT SOFTWARE TECHNOLOGIES

TERMS & CONDITIONS

1. Client should ensure that functional & user representatives will be available for coordination, consultations and clarifications during the system study.
2. Client should identify a person on their side to sign documents that are presented by or of concern to RELENT SOFTWARE TECHNOLOGIES under this project.
3. The system requirements would be frozen after the end of system study phase. Any major customizations involve additional efforts & hence would be taken up on additional costs. This would be taken up based upon the decision of the project coordination & monitoring group.
4. Client needs to approve proposal submitted to them, within the validity period.
