To,

M/S NAVJYOTHI SR SECONDARY SCHOOL EDATHOTTY

Dear Sir,

We are happy to serve you with our product & services.

On discussions, we came to know that you have a requirement of a best Administration & management software to enhance your functions so that it can continue to serve you effectively.

Therefore, RELENT Software Technologies hereby introduces its "School Management System" for your requirement.

This correspondence outlines the complete scope of work you requested, including objectives, procedures, terms & conditions, cost etc.

OBJECTIVE

Implement "Relent School Management System" in M/s NAVJYOTHI SR.SECONDARY SCHOOL EDATHOTTY . Installation of software, including implementation and setup, training, professional assistance.

SCOPE OF THE PROJECT

School Management System,ERP solution is a web based application that lets you easily manage the databases related to your institute. It also gives you a very easy to use interface to manage different information related to your institute such as fees,Result,Exam,Library,Transportation,Store,News & Events. Mail management, online interface and much more than you expect.

PROJECT COORDINATION AND REVIEW

We recommend that project is steered by a Project review committee as suggested below. The members may be modified on mutual consultations.

- a. Principal – M/s NAVJYOTHI SR.SECONDARY SCHOOL EDATHOTTY
- b. Managing Director –M/s RELENT SOFTWARE TECHNOLOGIES
- c. Project Coordinator – AN EXECUTIVE OF RELENT SOFTWARE TECHNOLOGIES

TERMS & CONDITIONS

- 1 Client should ensure that functional & user representatives will be available for coordination, consultations and clarifications during the system study.
-

2. The system requirements would be frozen after the end of system study phase. Any major customizations involve additional efforts & hence would be taken up on additional costs. This would be taken up based upon the decision of the project coordination & monitoring group.
3. Any software product, if required to be purchased for the software would be recommended by RELENT SOFTWARE TECHNOLOGIES to the Client. The license agreements of such software purchased from a third party under the project would be signed between the Client & the concerned third party.
4. After the installation of the software, training will be provided to the Clients team. After the completion of the Project a completion certificate has to be signed by Client accepting the completion. All the payments towards RELENT Software Technologies has to be completed within one week of completion of the Project.
5. The Software License is valid up to one year from the date of invoice. Therefore for license renewal, Client has to pay hosting charges on yearly basis.

NOTE: THIS COST DOESNOT INCLUDE ANY COST FOR EXTRA SERVICE, WHICH REQUIRES EXTRA EFFORT & THUS WOULD BE TAKEN UP ON ADDITIONAL COSTS ONLY.

We appreciate the opportunity to service your software needs. If you accept this proposal, please sign one copy and return for acknowledgement.

Sincerely,

Dileesh P.V
Managing Director.
