M/S TALIPARAMBA ARTS & SCIENCE COLLEGE

Dear Sir,

We are happy to serve you with our product & services.

On discussions, we came to know that you have a requirement of a best Administration & management software to enhance your functions so that it can continue to serve you effectively.

Therefore, RELENT Software Technologies hereby introduces its "School Management System" for your requirement.

This correspondence outlines the complete scope of work you requested, including objectives, procedures, terms & conditions, cost etc.

OBJECTIVE

Implement "Relent School Management System" in M/s TALIPARAMBA ARTS & SCIENCE COLLEGE. Installation of software, including implementation and setup, training, professional assistance. Success of this project is dependent not only on the software, but also on your personnel's skill, effort, and willingness to work as a team.

SCOPE OF THE PROJECT

School Management System, ERP solution is a web based application that lets you easily manage the databases related to your institute. It also gives you a very easy to use interface to manage different information related to your institute such as Fees, Result, Exam, Library, Transportation, Store, News & Events, Mail management, online interface and much more than you expect.

TRAINING & TESTING

- a. We will work with you and your staff during installation and implementation to help you gain a detailed understanding of the system.
- b. One time training regarding the maintenance & usage of the software will be provided to the personnel identified by the client for 2 days.
- c. Upon completion, system test of the software will be done to assure that it is functioning as intended and producing accurate reports based on your input.

PROJECT COORDINATION AND REVIEW

We recommend that project is steered by a Project review committee as suggested below. The members may be modified on mutual consultations.
